Mission of the Month– Youth Missions

In addition to our local monthly missions, each summer the student ministry sends over 100 students and adults either to Immokalee Florida or Belize, Central America to be the "hands and feet" of Jesus. The cost for these two mission trips is close to \$40,000 (that our students and parents incur). Your donations this month to student missions will go directly to help with construction supplies and to help with student scholarships for those in need. Our mission trips have a profound life changing effect for our students. God uses the student ministry to impact the world around us and God uses the world around us to impact our students. Thank you for your support.
