### Mission of the Month– Joining Hands

Our Mission of the Month for June is Joining Hands Mission United Methodist Church. Joining Hands is a vital outreach to people living in Pasco County. They provide many services to the community like being West Pasco County's cold night shelter, offering free breakfasts on Sunday morning, tutoring programs for students, and have many other ministries in the works. PHUMC loves partnering with Joining Hands as they try and tackle some tough issues a few miles North of us and just across the county line.
