What an exciting week this has been, with 545 children in Vacation Bible School! I am very grateful for the 150+ volunteers. The children's staff team of *Robin McFerren*, *Nan Robins*, and *Leah Wheeley*, put together an outstanding week of decorations, Bible stories, crafts, snacks, activities and music. VBS is always an all staff-team 'hands on deck' and I appreciate all the staff participating in some way in support of this exciting week. We could not have done it without you "Saying Yes!" to volunteering, and also to the many donations we received. It was a total church ministry. On Friday, 545 bags of groceries will be bagged by the VBS children to be delivered to our Pack a Sack Schools! What an exciting God glory sighting week!!!!

On the last day of Bible School, the children learned about Peter. On Sunday we will hear that same story they did. It is about Peter, and his realization that he was powerless without Jesus. (Acts 3:1-10) The children heard over and over again this week that Jesus Rescues. You will certainly hear that again this Sunday.

On Sunday, we will hear some VBS songs and incorporate their set as a backdrop to the message. We also begin a new series on Sunday, entitled **ImPerfect Examples**. In this series, we will look at Biblical examples of people who, even with their imperfections, were used by God. We will begin with Peter, who certainly was not perfect, but said to one in need, "What I do have I give you?" (Acts 3:6)

I hope that during this series we will realize that God can work in our imperfections. In fact, we will discover Biblical examples of how God does indeed use imperfect people to bring about some perfectly wonderful demonstrations of His love and mercy.

We may be 'perfectly imperfect,' but God can use us. Come on Sunday to see, that no matter how perfect or imperfect you are, you can be used by God.

See you Sunday at the imperfect place that serves a Perfect God,

Pastor Dave
