

Guidelines for Nursery Childcare

The nursery is always available for Sunday morning worship services, Sunday Morning 11:15 AM Bible studies, and Wednesday evening Bible study. Nursery** is also available upon request for adult education classes, ministry meetings and other various ministry events.

Request must be made by the ministry leader or group facilitator two weeks in advance of the event. Requests are to be made in writing through the front office and approved by the Nursery Director. Child care request forms can be found in the church office as well as on the church website.
