[LUKE 1:26-33](#)

When the angel appeared to Mary, the angel tried to reassure her by telling her not to be afraid. How could she not be afraid? She was encountering an angel with a message that would turn her life upside down. She was embarking on a journey that would bring joy but also pain and sorrow.

During this past year we have been afraid. We have gone through some very difficult times. We are on a journey that we hope will end with healing and hope and peace.

I hope you will join us for one of our two new worship services. You can join either online or in person. In case you haven't yet read about the services, I am repeating the information so you can choose the one that best suits you.

The 8:30 Traditional Service will include lighting of the Advent Wreath, carols, hymns and traditional worship. After children have been checked in at the Children's Ministry desk, they will attend worship with their parents until after Children's Moment, when they will be invited to go to their Kindle groups. Parents will pick them up after the service in their classrooms.

The 10:30 Modern Service will be designed to be a relaxed worship experience. The music style will be similar to the majority of the music we currently enjoy at the 9:30 service, featuring songs that you would hear on hit Christian radio, like JoyFM. Before service, children will be checked in at the Children's Ministry desk for their own worship time in the Children's Room (A201) where they will enjoy high-energy music, games, a lesson, and lots of fun. Parents will pick up their children after service from their classrooms. Of course, children may remain with their parents in worship during both services.

Let's join our hearts in worship this Sunday as we prepare for the coming of the Prince of Peace.

With love and peace,

Rev. Sharon
