[Zechariah 4:6](#)

In our scripture lesson for this week, God makes it very clear that if we want to do something important, we need to have the Holy Spirit with us to guide us and give us the strength to accomplish the task.

We are praying that the Holy Spirit will be with us as we once again begin making plans to reopen our sanctuary. With the decline in percentage of positive cases in the last week, we are planning to reopen on August 16. It is exciting to anticipate opening our doors and welcoming you back to your church home.

Please review all the protocols that will be in place. Masks will be required as will social distancing. Temperatures of staff, volunteers, congregation and persons participating in the service will be taken. Hand sanitizer will be available. Please go to our website to review the details of what we will be doing to keep us all safe.

Most importantly, if you are not feeling well, have a temperature, or are in a vulnerable category, please stay home and continue to worship with us online.

May God bless us and be with us as we move forward with reopening.

With love and hope,

Rev. Sharon
